# PARTNERING WITH YOU

---

Andersen brings the technical expertise and experience, as well as the personal attention, you are looking for in a professional services firm.

We are committed to partnering with you through the delivery of best-in-class service.

Our tax credit and business incentives service line is comprised of an integrated team of global specialists offering tax advisory services to multinational companies of all sizes across all industries, and redefining the standard for professional quality and seamless client service.

# WHO WE ARE

Andersen Global® was established in 2013 as an association of legally separate, independent member firms, with a worldwide presence and comprised of professionals that share a common background and the same vision no matter the location where they are.

Our growth is a byproduct of the outstanding client service delivered by our people - the best professionals in the industry. Our objective isn't to be the biggest firm, it is to provide best-in-class client services in a seamless fashion across the globe.

Our professionals are selected based on quality, like-mindedness and commitment to client service. All of our Andersen Global professionals share our core values.

Andersen Global was established to create an enduring place – ONE FIRM where clients across the globe are afforded the best, most comprehensive tax and legal services provided by skilled staff with the highest standards.

Outstanding client service has and will continue to be our top priority.

# OUR CORE VALUES

---

## Transparency

We value open communication, information sharing and inclusive decision making.

## Stewardship

We hire the best and the brightest and we invest in our people to ensure that legacy.

## Seamless

Our firm is constructed as a global firm. We share an interest in providing the highest level of client services regardless of location.

## Best-In-Class

We aim to be the benchmark for quality in our industry and the standard by which other firms are measured.

## Independence

Our platform allows us to objectively serve as our client's advocate; the only advice and solutions we offer are those that are in the best interest of our client.

# GLOBAL REACH

---

## Global Reach

We have a global presence through the member firms and collaborating firms of Andersen Global.

## Client Service

Our professionals share a common background and vision and are selected based on quality, like-mindedness, and commitment to client service.

## Shared Values

Each and every one of the professionals and member firms that are a part of Andersen Global share our core values ensuring the delivery of best-in-class service in a seamless and consistent manner worldwide.

## One Firm

We are building Andersen Global to create an enduring place – ONE FIRM where clients across the globe are afforded the best, most comprehensive tax and legal services provided by skilled staff with the highest standards.

## BUSINESS CREDITS AND INCENTIVES

Identifying R&D or other investment activities eligible for tax credits and cash grants can be challenging for businesses. Once a qualified project is identified, multinational companies may face additional challenges and difficulties in selecting the right incentive, initiating and managing the tax benefit or cash grant application processes.

Our team of specialists are here to assist you in identifying opportunities and to provide jurisdiction specific support with applications for cash grants and/or compliance required for tax incentives. We offer site selection advisory services for companies considering relocation or expansion of their operations. Our global reach also enables us to assist with negotiated incentives that are typically determined at the local level through liaison with local tax authorities.

# SERVICE OFFERINGS

---

## Location Advisory

Provide support for investment site selection process, consisting of location study and comparative analysis of incentives.

## Identifying Qualifying Investments and R&D Activities

Assistance with identification of investments and R&D activities that qualify for tax credits and subsidy incentives.

## Application Process and Subsidy Management

Assistance accessing local aids, maximizing tax benefits, negotiating with authorities, managing compliance, and coordinating the application process.

## Review of Incentives

Review of utilized local aids and tax credits and related costs, advising on the optimal utilization of available incentives.

## Industry Experience

Aerospace	Agrifood	Apparel
Automobiles	Banks & Financial Services	Construction
